EDGAR Vendor Certification

(2 CFR Part 200 and Appendix II)

When a school district seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All vendors submitting proposals must complete this EDGAR Certification Form regarding vendor's willingness and ability to comply with certain requirements which may be applicable to specific school district purchases using federal grant funds.

For each of the items below, vendor should certify vendor's agreement and ability to comply, where applicable, by having vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the district will consider and may list the vendor's response as "NO," the vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a school district to purchase from the vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Except as otherwise provided for in these Terms and Conditions, either party may terminate the contract in whole or in part in the event of the other party's substantial failure to fulfill its obligations under the contract through no fault of the terminating party; provided, however, that the defaulting party is given at least ten (10) business days prior written notice of the default and intent to terminate (delivered by certified mail, return receipt requested, or other method that similarly documents receipt), and a ten (10) business day opportunity to remedy the default to the satisfaction of the terminating party.

North East ISD will not be liable to the vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on vendor's default or breach of contract.

If any delay or failure of performance is caused by a Force Majeure, North East ISD may, in its sole discretion, terminate the contract in whole or part, provided such termination complies with the procedures set out above. Any contract termination resulting from any cause other than a Force Majeure event will be deemed valid reason for not considering any future proposals from the defaulting Vendor.

Force Majeure includes, but is not limited to, governmental restraints or decrees, provided they affect all companies in vendor's industry equally and are not actions taken solely against vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The remedies under the contract are in addition to any other remedies that may be available under law or in equity. By submitting a proposal, you agree to the vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

With this paragraph, the school district shall only be required to pay vendor for goods or services delivered to the school district prior to the termination and not otherwise returned in accordance with vendor's return policy. If the school district has paid vendor for goods or services not yet provided as of the date of termination, vendor shall immediately refund such payment(s).

If an alternate provision for termination of a school district purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the school district's purchase order, or construction contract agreed to by the vendor, this provision shall prevail.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all school district purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any school district purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by federal program legislation, vendor agrees that, for all school district prime construction contracts/purchases in excess of \$2,000, vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146- 3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the vendor is conditioned upon vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all school district contracts or purchases in excess of \$100,000 that involve the employment of mechanics or laborers, vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the school district's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and District Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the

Clean Air Act (42 USC 7401- 7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the district and all school districts with pending purchases or seeking to purchase from vendor if vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:

Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier t tier up to the non-federal award. As applicable, vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:

For School district purchases utilizing federal funds, vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a school district may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:

For purchases using federal funds in excess of \$150,000, a school district may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a school district, vendor agrees to provide information and negotiate with the School district regarding profit as a separate element of the price for a particular purchase. However, vendor agrees that the total price, including profit, charged by vendor to the school district shall not exceed the awarded pricing, including any applicable discount, under Vendor's District Contract.

12. General Compliance and Cooperation with school districts:

In addition to the foregoing specific requirements, vendor agrees, in accepting any purchase order from a school district, it shall make a good faith effort to work with school districts to provide such information and to satisfy such requirements as may apply to a particular school district purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.
